COPULA

If you dream of a place where you can drink coffee in the morning, eat a delicious dinner in the afternoon, and in the evening you will spend a nice time talking or playing board games, the Copula enclosure will provide you with such an opportunity.

Creating what is practical and effective for you is a pleasure for us.

COSMOS

Cover without guides.

Following the latest trends on the market, we are introducing a new model of a swimming pool enclosure that can slide without guides using a modern system. It is an ideal proposition for supporters of minimalism, technology and elegance. Cosmos - it is a roof, the filling of which consists of a combination of 4mm solid polycarbonate and 8mm chamber polycarbonate.

SAUNA

Everything in
one place.

The Outdoor Concept allows you to create a unique look as well as an amazing solution - a combination of a sauna, spa tub and Bucovers enclosure.

Bucovers enclosure allow you to take full advantage of the terrace and garden, now even in combination with a sauna.
